Greenwoods is more than just a brand of our residential projects, it is a modern living concept we share with our customers, with it we thrive to create your dream home.

Greenwoods also means balances, between success and composure, between bold and natural, it is an understated statement of achievement.

Since 2005 Greenwoods has created more than 20 housing and shophouse clusters, 10 individual luxury homes, a hospital project and a hotel project. In total as a group we have built more than 400 buildings.
Creed Group is a real estate investment group with abundant experience in the mature real estate market in Japan. Our portfolio ranges from real estate financing, property development, property management and asset management.

We have been investing in the growing real estate market of Malaysia, Cambodia, Vietnam, Myanmar, Indonesia, Lap PDR and Bangladesh since 2012. To date, our aggregate Gross Development Value (GDV) for our projects is over US$ 800 million.

Currently, we have been focusing our business on South East Asia and Bangladesh. Our strategic direction is to partner with the best local player of the region and bring in our expertise from Japan.
